**Sleigh bells ring, are you listenin',  
In the lane, snow is glistenin'  
A beautiful sight,  
We're happy tonight,  
Walkin' in a winter wonderland.**

Gone away is the bluebird,  
Here to stay is a new bird  
He sings a love song,  
As we go along,  
Walkin' in a winter wonderland.

In the meadow we can build a snowman,  
Then pretend that he is Parson Brown  
He'll say: Are you married? We'll say: No man,  
But you can do the job  
When you're in town.

Later on, we'll conspire,  
As we dream by the fire  
To face unafraid,  
The plans that we've made,  
Walking in a winter wonderland.

In the meadow we can build a snowman,  
And pretend that he's a circus clown  
We'll have lots of fun with mister snowman,  
Until the other kiddies knock him down.

When it snows, ain't it thrillin',  
Though your nose gets a chillin'  
We'll frolic and play, the Eskimo way,  
Walkin' in a winter wonderland.

Walkin' in a winter wonderland,  
Walkin' in a winter wonderland.

## **The First Noel**

The First Noel, the Angels did say  
Was to certain poor shepherds in fields as they lay  
In fields where they lay keeping their sheep  
On a cold winter's night that was so deep.

Noel, Noel, Noel, Noel  
Born is the King of Israel!

They look-ed up and sa-aw a star  
Shining i-in the East be-yond them far  
And to-o the earth it gave great light  
And so it continued both day and night.

Noel, Noel, Noel, Noel  
Born is the King of Israel!

And by the light of tha-at same star  
Three Wi-ise men ca-ame from cou-ountry far  
To se-ek for a King was the-eir intent  
And to follow the sta-ar wherever it went.  
Noel, Noel, Noel, Noel (up)  
Born is the King of Israel!

**Thought for the  
week**

## Thought for the week

There is no compulsive rule that incarnations should occur only on the earth and in human form. Any place and any form can be chosen by the fully free. Whichever place and form promote the purpose of fulfilling the yearning of the devotee, that place and form are chosen by the will of God. God is above and beyond the limits of time and space. He is beyond all characteristics and qualities, and no list of such can describe Him fully. For Him, all beings are equal. The difference between man, beast, bird, worm, insect, and even a god is but a difference of the ‘vessel’ (*upadhi*). The one single God activates every vessel and gives rise to manifold consequences. God appreciates the consciousness of unity as the basic motive of acts. He doesn’t appreciate the activity itself being one without variety; activity must be suited to the various needs.
